

# UPR\_A series

Air-Operated Self Contained Chuck

Air-Operated Chuck perfect for oil pipe standards

The UPR\_A series does not require lathe spindle orientation when opening and closing the jaws. The jaws can be opened and closed with the spindle stopped at any position.

## ■ Dimensions

Model	Outer diameter mm	Thickness mm	Through-hole diameter mm
UPR530A185	530	275	185
UPR600A275	615	275	275
UPR650A325	685	283	325
UPR710A375	735	283	375
